

# **Manitoba State Council Activities Director Report September 2016**

## **Manitoba State Golf Tournament 2016**

Our final event for 2016 was the Golf Tournament hosted by the East Kildonan Council on Aug 24<sup>th</sup>. Once again they had a beautiful day that 124 golfers from 14 councils participating. Proceeds from this event will be directed to Neighbours in Need a local organization that this council has regularly supported . The day would not have been possible without the volunteers from Council 4107.

## **Scheduled Events for 2017**

I would like to thank the following councils for volunteering to host our 4 major State Events for the coming year

**MB. State Curling** - Host Council Sts Martyrs Council

Location : Heather Curling Club

Date: Mar 31- Apr 1-2 2017

Convener : Bro. Ray Mynard 204-253-6363

**ICCD Early Bird Draw** – Host Council Bishop Ladyka Council #9020

Location: St. Peter & Paul Parish Center, 400 Marion St. Wpg

Date: Jan 21, 2017

**ICCD Major Draw** – Host Council Fr. Filipow Council #8944

Location : St. Nicholas Parish Hall , 737 Bannerman Ave

Date: April 29, 2017

## **MB State Golf Tournament**

Proposed location : Kingswood Golf Course

Dates to be confirmed but they are looking at either Aug 16 or Aug 23,2017

We would like to thank the above Councils for volunteering and hope your councils will support their efforts

## **MB State Events for 2018**

We are now accepting applications for the above events for 2018. If your council is having a celebration and would like to host one of the 4 events, we need your request by the end of December 2016 . Please forward your application or questions to Manitoba State Office and copy Richard Carlyle at [rickicarlyle@gmail.com](mailto:rickicarlyle@gmail.com)

The earlier you get your application in the better. Don't forget to state which event your council is requesting to host, contact information and include any special anniversaries or other reasons for wishing to host these events

Brothers are we all

Vivat Jesus

Richard Carlyle, Manitoba State Director Council Activities

## 2016 Manitoba State Fall Seminars

Worth State Deputy and Manitoba State Executive, Worthy State Chaplain, Worthy Grand Knights, Worthy Deputy Grand Knights and Brother Knights:

Thank to you all for your support of the youth of Manitoba. Your continued hard work in leading and mentoring our youth is indeed making a difference in our communities.

The Knights of Columbus has many great resources to help you plan your youth activities. The 2016 – 2017 Fraternal Leader Success Planner is probably the best as it highlights the programs you should be running from month to month. It also provides helpful information about when you should be ordering supplies and how to record the success of that activity. If you do not already have this Planner, contact your District Deputy for information on how to obtain one.

You should already be thinking about ordering supplies for the Basketball Free Throw and the Keep Christ in Christmas Coloring Contest activities coming up shortly. Contact myself or the Manitoba State office if you have any questions. You can also refer to our website to learn more.

Volunteers are needed to help support our work with the annual spring track meets held at the University of Manitoba. Elementary, middle school and high school athletes from Winnipeg's catholic and independent schools participate in three separate events in May and June. The Knights provide an Honor Guard, coordinate medal distribution and provide food and refreshment for the volunteers running the events. If you are interested in helping, please contact me and I will set you up.

Vivat Jesus!

*Columbian Squires*

Brother Knights,

Manitoba State and Supreme is taking a different approach to the Youth in our Parishes and I am very excited for what that will bring to every Council.

Instead of focusing on starting new Squire Circles, Manitoba State is encouraging each council to work with their parishes to start/further develop Youth Ministries in their Parishes. It is the hope that these youth Ministries will encourage more Youth to participate in Parish Activities, and to make them future leaders in their Parish and Community.

All current Squire Circles will stay active and will continue to be great influences in their parishes. We currently have 2 very active circles in Winnipeg and I am very proud of their work. These circles are also encouraged to work hard with their parish to develop more youth events in their communities.

Esto Dignus – Be Worthy

### Brother Knights

Thank you to all the councils who participated in the Silver Rose Program last Columbian Year. It was a very successful event and I cannot wait to do it again this upcoming Columbian year.

We are not sure when we will receive the next Silver Rose, but once we have all the information we will send it out to all the councils right away.

This Rose is one of 5 Roses that will travel through Canada and then through the United States, after which it will travel to Mexico where it will arrive, with the other 5 roses, at Our Lady of Guadalupe Parish in December of 2017.

**This is a great program that the whole family can be a part of. We encourage all Knights and their families to participate.**

Vivat Jesus
